Regular Notice 01/2025
Selection for admission to Master's and Doctoral programs in
2025/1

1. The Coordination of the Graduate Program in Criminal Sciences (PPGCCrim) of the School of Law of the Pontifical Catholic University of Rio Grande do Sul (PUCRS) hereby publishes the rules of the 01/2025 Selection Process for admission to the first academic semester of 2025, at the Master's and Doctoral levels, in accordance with the requirements of the Program Regulations and the University's Statutes and General Regulations.
2. The Program, concept 5 (five) in the Coordination of Superior Level Staff Improvement (CAPES), has 1 (one) area of concentration called Criminal System and Violence and has two lines of research: Contemporary Legal-Penal Systems and Violence, Crime and Public Security.

Information about the area of concentration, lines of research and accredited professors can be obtained via the link <https://portal.pucrs.br/pesquisa/programas-de-pos/ciencias-criminais/>.

Eligibility

All holders of undergraduate degrees in Law, Human and Social Sciences, Medical Sciences and Psychology, duly recognized by the Ministry of Education or by the competent body in their country of origin, as well as undergraduate graduates, may take part in the Master's Degree Selection Process, provided that they can prove that they have completed the course before enrolling in the Postgraduate Program. Likewise, all holders of Bachelor's and Master's degrees in Law, Human and Social Sciences, Medical Sciences and Psychology or in related areas, duly recognized and recommended by the Ministry of Education (MEC)/CAPES or by the competent body of the country of origin, as well as Master's degree graduates, may participate in the Doctorate Selection Process, provided that they can prove the completion of said course, on a date prior to enrollment in the Doctorate.

3. Places for students

This selection aims to fill up to 20 (twenty) places at the Master's level and up to 07 (seven) vacancies at the Doctorate level. If the number of vacancies for entrants at either level is not completely filled, the remaining vacancies may be reallocated to entrants at the other level, in accordance with this notice.

In addition to the 20 (twenty) places offered at Master's level, 2 (two) places will be offered to self-declared black, brown and indigenous candidates and 2 (two) places will be offered to foreign candidates. Likewise, in addition to the seven (07) places on offer at PhD level, 2 (two) places will be offered to self-declared black, brown and indigenous candidates and 2 (two) places will

be offered to foreign candidates. If there are no self-declared candidates who meet the selection requirements, the places offered to these candidates may be filled by other non-self-declared candidates.

5. Registration

Registration will take place exclusively on the Internet, via the link: <https://webapp.pucrs.br/inscricao-stricto/#/login>, from 01/09/2024 to 25/11/2024.

7. The Selection Process

7.1. The Selection Committee

The Selection Committee will be made up of the PPGCCRIM Coordinating Committee, elected for the year 2024, made up of Professors:

Prof. Dr. Nereu José Giacomolli (coordinator); Prof. Dr. Ricardo Jacobsen Gloeckner; Prof. Dr. Rodrigo Ghiringhelli de Azevedo and Prof. Dr. Jayme Weingartner Neto.

7.2. Stages of the Selection Process

(A) EVALUATION OF THE CURRICULUM LATTES

Requirements to be analyzed: scientific production, participation in research projects, effective possibilities of completing the course, intellectual and scientific maturity.

As far as the curriculum is concerned, these are the assessment criteria:

- i. Experience in research - coordination of scientific research papers, undergraduate and specialization monographs;
- ii. Publications in the field;
- iii. Undergraduate and postgraduate transcripts;
- iv. Proficiency in foreign languages;
- v. Extension and postgraduate courses.

(B) INTERVIEW AND DEFENSE OF THE RESEARCH PROJECT

The interview will cover: an account of the candidate's academic career; the link and suitability of the preliminary research project to the area of concentration and the lines of research; an assessment of the conditions and possibilities for its effective realization; publication in the area; and proficiency in a foreign language. (The student may be asked to read, with free translation, a text in a foreign language, including Spanish, German, French, English or Italian, chosen for a future proficiency test).

The research project should be formatted as follows:

- Between 15 (fifteen) and 20 (twenty) pages - ABNT standards - (A4 paper);
- *Times New Roman* 12 (twelve) font, typed with 1.5 (one point five) spacing;
- It must include a bibliographical review of at least 10 (ten) pages, demonstrating the reading and progress of the proposed research.

Also assessed will be the thematic definition, the research technique and the form of approach, as well as the interdisciplinary nature of the project.

7.3. Selection Criteria

The selection process comprises two phases:

1st phase: Analysis of the curriculum - weight 4 (four).

2nd Phase: Interview and defense of the research project - weight 3 (three) for each item.

7.4. Final ranking

The candidate's final grade will be calculated as a weighted average, in accordance with item 7.3 of this notice.

The minimum final grade for approval is 5.0.

The publication of the final result will follow the alphabetical order of the places for students and the ranking of the substitutes, who will be called in the order of their ranking.

In the event of a tie, the best performance in the interview and in the undergraduate subjects will be considered.

The possible scholarships will be distributed in the order in which they were awarded.

8. Results of the Selection Process

The list of selected candidates and the list of alternates will be published on December 13, 2024 on the Program's website <https://portal.pucrs.br/pesquisa/programas-de-pos/criminal-sciences/>
